

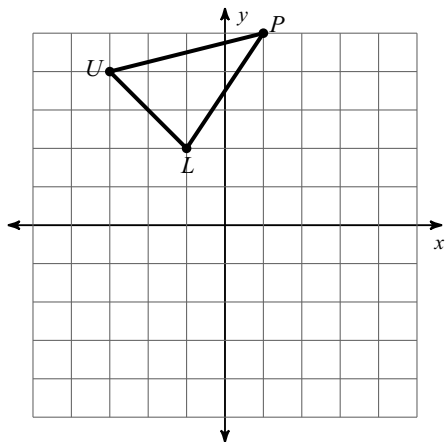

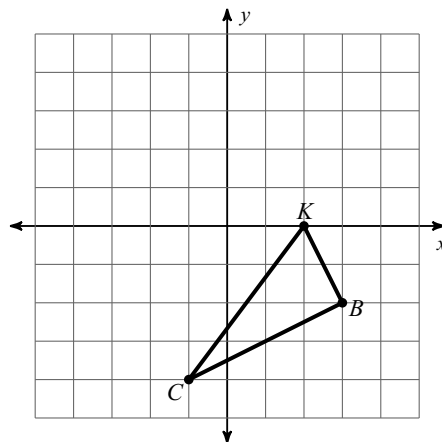

Graphing Reflections

Graph the image of the figure using the transformation given.

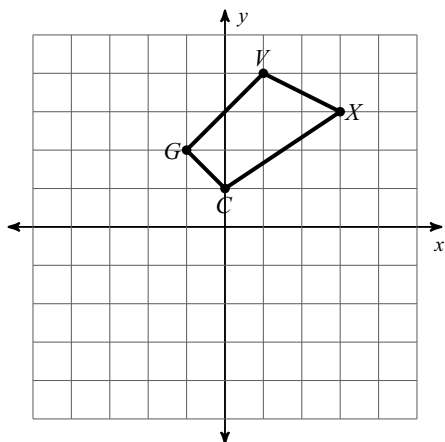

1) reflection across $x = -1$

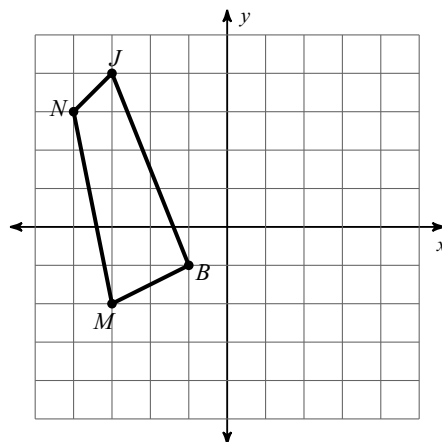

2) reflection across the x-axis

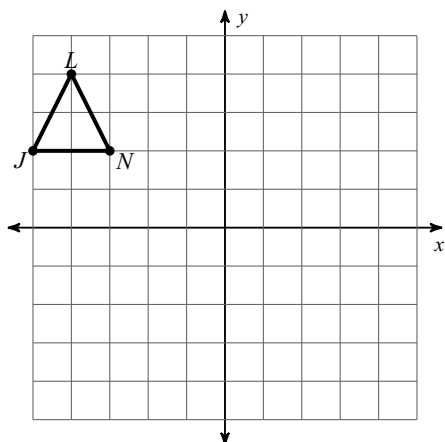

3) reflection across $x = 2$

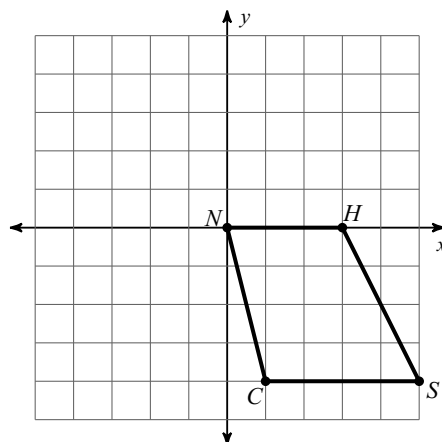

4) reflection across $x = -2$

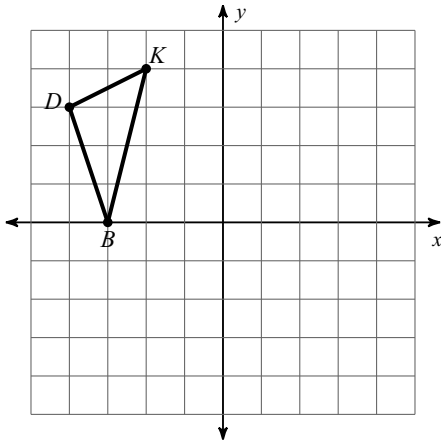

5) reflection across $y = 2$

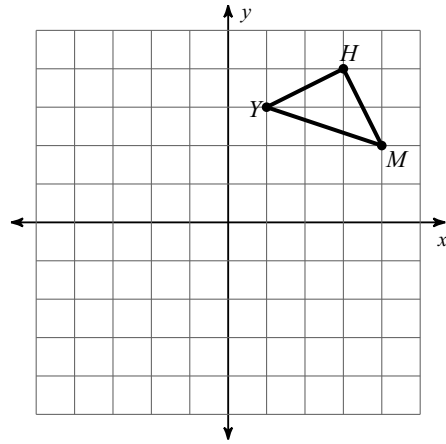

6) reflection across $x = 1$

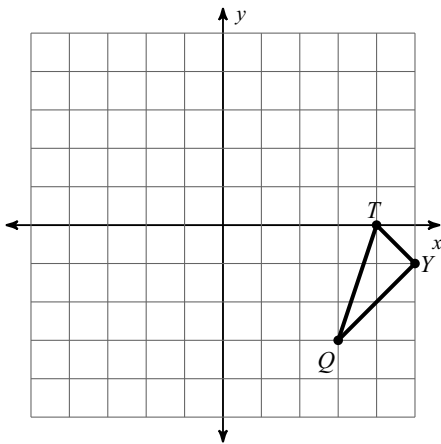

7) reflection across $y = 2$

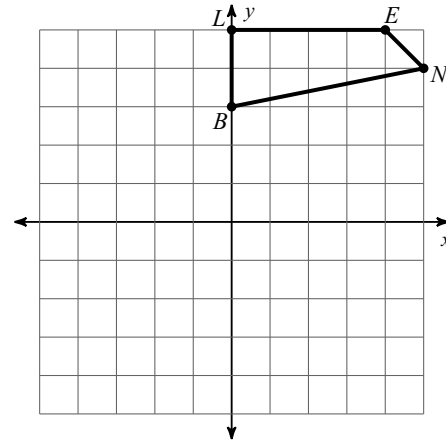

8) reflection across $y = 1$

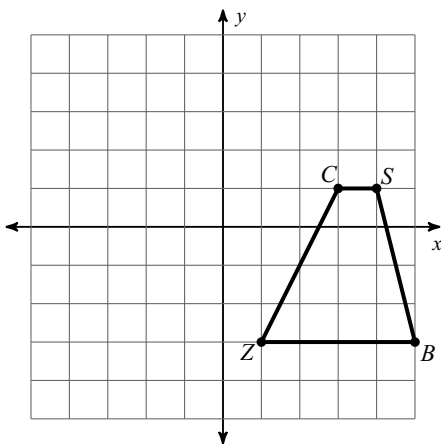

9) reflection across $y = -2$

10) reflection across the y-axis

11) reflection across $x = 1$

12) reflection across $y = -2$
